

Girls' "AA" OFSAA Volleyball

Sydenham, ON

Hosted by Sydenham High School

March 4th-6th, 2024

March 2024

Welcome to All Athletes, Coaches, Families, and Fans,

On behalf of the students, staff and Trustees of the Limestone District School Board, welcome to the 'AA' Girls OFSAA Volleyball Championship hosted by Sydenham High School.

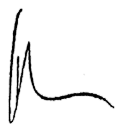

Congratulations to every single team in this tournament on your outstanding success in getting to this highest level of competition. You should be proud of your accomplishments to date. This tournament is, above all else, a celebration of your collective success, and we wish every team all the very best during the competition.

We cannot thank our teacher-coaches, families, and school volunteers enough for their commitment to athletics, and dedication to ensuring high quality athletic programs are available to students. These activities and events do not happen by accident. They require considerable time and effort to ensure they are well organized and orchestrated. A tremendous thank you to Sydenham High School and athletic convenor Bryan English, and his organizing committee, for making this tournament possible, and hosting at Sydenham High School and St. Lawrence College in Kingston.

We hope you will have a wonderful time on and off the courts, and enjoy what the village of Sydenham and the city of Kingston offer.

All the very best to all teams. Enjoy!

Sincerely,

Krishna Burra
Director of Education, Limestone District School Board

Convenor's Message

Dear OFSAA Participants, Coaches, Parents, Officials and Spectators,

It is with great pleasure that we welcome you to the South Frontenac area and in particular to our host school Sydenham High School. This is the second time that Sydenham has hosted an OFSAA event and both staff and students have been working hard in preparation for this event. St. Lawrence College in Kingston will also be a host site for this event.

I would like to take this opportunity to thank the entire organizing committee for the countless hours they have put in to making this championship a success. We have over 75 student volunteers who are every bit as excited about this championship as you are. If you get the chance, please thank our committee members (grey golf shirts) or student volunteers (blue t-shirts) at some point this weekend.

I would also like to thank all our sponsors for their assistance in making this championship a success. Please look through our program to see all our sponsors and if possible, try to support them at some time throughout the championship.

Lastly, I'd like to wish every team all the best throughout the next three days of competition. Although only four teams will walk away with medals, I hope you realize how special it is to be able to compete at an OFSAA Championship. Compete hard and please be respectful to your teammates, opponents, officials, coaches, volunteers and spectators.
Best of luck to all!

Sincerely,

Bryan English

OFSAA Mayor Message

A message from the Mayor

Welcome to Sydenham and the 2024 Girls AA OFSAA Volleyball Championships.

This is the second time Sydenham High School has hosted an OFSAA Championship. It takes many hours of planning and preparation to host an event like this, and I'd like to recognize and thank all the teachers, coaches, and volunteers who have worked so hard to make this event possible.

These past few years have taught us more than ever the value of sport. Athletics teaches students resilience, grit, sportsmanship, leadership, teamwork and the value of hard work.

Sport also brings people together. It teaches us that while we can be adversaries on a field or court, we share a common bond for the love of the game and the same hopes, dreams, and aspirations.

Good luck to all the teams. I hope you have an exciting few days of competition.

Ron Vandewal
Mayor
South Frontenac Township

CHAMPIONSHIP

Sports provide students an environment through which they learn to develop a work ethic, embrace teamwork, and most importantly, appreciate each other's differences.

Congratulations student-athletes and coaches on reaching the highest level of competition.

MARCH 4-6, 2024

SYDENHAM HIGH SCHOOL

OFSAA Girls' AA Volleyball Championship

Limestone
DISTRICT SCHOOL BOARD

OFSAA Brief History

In 1948, OFSAA was founded without any full-time staff or a permanent office. It officially became the governing body of high school sports in Ontario in 1952, and has grown significantly over the past seven decades.

When OFSAA started in 1948, there were just six official provincial Championships for high school sports – track & field, cross country, hockey, football, basketball, and gymnastics.

Currently there are 45 Championships and Festivals contested at the OFSAA level with sports including everything from rugby to snowboarding to golf.

The growth of OFSAA over the years is also representative of the growth in population and schools in Ontario. OFSAA has expanded from seven to 18 associations, from 300 to over 850 schools, 5500 teacher-coaches to 18,000 teacher-coaches, and from 85,000 student-athletes to more than 280,000!

In 2008, OFSAA unveiled a versatile new logo in celebration of the 60th anniversary of the organization. It was the first time the logo had been redesigned since its' inception.

It's an ongoing history and one OFSAA is happy to share as we continue to provide education through school sport to generation after generation.

KINGSTON & DISTRICT
SPORTS HALL OF FAME

1 Tragically Hip Way
Kingston ON K7K 0B4

KDVC

Kingston District Volleyball Council (KDVC) would like to congratulate each of the 2024 inductees to the Kingston & District Sports Hall of Fame, which is dedicated to recognizing and honouring the outstanding achievements of our local athletes and builders who have attained prominence and distinction in sports as well as those who have set the standard of excellence made through significant contribution to the sports community.

We are extremely proud to feature 3 colleagues from our Volleyball community who exemplify those traits.

We would also like to remind everyone that Sport is for Life and to encourage you all to find a way to stay involved once your playing career is complete.

Megan Suddergaard, born in Kingston, was a multi-sport athlete at Regiopolis-Notre Dame and Loyalist Collegiate during her high school career. She earned MVP and leading scorer honours in field hockey, running hurdles and the 4x100 relay in track, winning medals at both EOSSAA and OFSAA in both events, and earning MVP honours in volleyball at both schools, as well as getting an all-star nod while at LCVI.

It was as a volleyball player that she truly shone. Her play in Kingston earned her a full scholarship to the NCAA Division 1 Georgia Southern University, the first Kingston female volleyball player to earn that honour. With the Eagles, she was named team captain, and from her middle blocker position led the NCAA in blocking statistics while still finding time to maintain a 3.88 GPA and tutor fellow athletes at the school.

Ted Carson, who will be inducted as a builder, was born in Barrie and raised in Peterborough, before moving to Kingston in 1971 and ever since has continued to be involved in local sports as a coach, organizer, administrator and official, most notably in the sport of volleyball.

In a six-year span at Ernestown, working in co-ordination with Dale Huddleston (inducted in 2014), Carson coached the junior girls to four Kingston Area Secondary Schools Athletics Association championships, and the junior boys team to one championship. Four silver medals were also won in that six-year span of dominance. In 2007-08, he also coached an under-17 girls team to the D2 national volleyball championship.

Carson has been a volleyball official since 1974 and is well liked and admired in the local volleyball community for his exemplary character, relentless commitment, and his dedication to his sport and the players involved.

Frank Halligan, also entering in the builders category, is a well-known sports administrator. He has been involved in coaching and sports administration in Kingston for six decades beginning in 1974 and retiring in 2023. Halligan began coaching in 1974 and continued until 2009. He has been involved in club sports, high school sports and university athletics. Firmly believing in the importance of coach development, in 2007 Halligan started a new educational enterprise that offered coaching education conferences for rugby, soccer, basketball, volleyball, hockey, track, cross-country, field hockey and football. "Coaching the Coaches" offered 12 conferences, with 3,000 coaches, national and international level instructors from across Canada, England, France, Wales and the United States participating.

From 2010 to 2022, Frank became the athletic co-ordinator of the Kingston and Area Secondary Schools Athletic Association, which entailed convening 12 sports over fall, winter and spring seasons for KASSAA's 13 high schools. Developing schedules, communicating with all coaches and referees, arranging playing fields, representing KASSAA at the eastern Ontario and all Ontario levels were some of the duties associated with this position.

Kingston and District Sports Hall of Fame 2024 inductees
From left, Steve Price (athlete, fastpitch softball),
Frank Halligan (builder, sports administration),
Megan Suddergaard (Pfeiffer) (athlete, volleyball),
Ted Carson (builder, volleyball) and Jeff Boyd (athlete, sailing).
