

2026 OFSAA Ultimate Festival

Hosted by Kingston Secondary School

Kingston, ON

May 25th - 27th, 2026

OFSAA Brief History

In 1948, OFSAA was founded without any full-time staff or a permanent office. It officially became the governing body of high school sports in Ontario in 1952, and has grown significantly over the past seven decades.

When OFSAA started in 1948, there were just six official provincial Championships for high school sports – track & field, cross country, hockey, football, basketball, and gymnastics.

Currently there are 45 Championships and Festivals contested at the OFSAA level with sports including everything from rugby to snowboarding to golf.

The growth of OFSAA over the years is also representative of the growth in population and schools in Ontario. OFSAA has expanded from seven to 18 associations, from 300 to over 850 schools, 5500 teacher-coaches to 18,000 teacher-coaches, and from 85,000 student-athletes to more than 280,000!

In 2008, OFSAA unveiled a versatile new logo in celebration of the 60th anniversary of the organization. It was the first time the logo had been redesigned since its' inception.

It's an ongoing history and one OFSAA is happy to share as we continue to provide education through school sport to generation after generation.

**OFSAA Ultimate Festival
May 26 & 27, 2026**

On behalf of the Ontario Federation of School Athletic Associations (OFSAA), it's my pleasure to welcome you to Kingston, Ontario and this year's OFSAA Ultimate Festival. These events are truly special—often once-in-a-lifetime opportunities to represent your school, your region, and yourselves at the highest level of high school sport.

At OFSAA, we take great pride in creating meaningful and memorable experiences for student-athletes. We hope you compete with passion, integrity, and sportsmanship—and that when the final competition ends, you'll look back on this event with pride and lasting memories of a remarkable athletic and educational journey.

A heartfelt thank you goes out to our convenor, Marc Carriere, and the dedicated organizing committee at Kingston Secondary School. Their countless hours of planning and preparation have made this event possible. OFSAA events are brought to life by the commitment of volunteers and the generosity of host communities. We're incredibly grateful for the warm welcome extended by our hosts, sponsors, and local supporters.

To our teacher-coaches—thank you. Your dedication, often involving hundreds of hours across multiple sports and time away from your own families, does not go unnoticed. You play a vital role in shaping your athletes' high school experience, and we hope this OFSAA experience adds another meaningful chapter to that story. Congratulations on your success this season.

And to our athletes—congratulations! Your hard work, perseverance, and commitment to your sport and teammates have earned you a place among a select group of student-athletes. Take a moment to appreciate how far you've come, and don't forget to thank those who've supported you along the way. We wish you the very best in competition and hope this experience becomes one of your most cherished high school memories.

Enjoy every moment, compete with heart, and go make your own OFSAA memories.

Good luck to all!

22 May 2026

On behalf of the organizing committee, I would like to welcome you to Kingston SS for the 2026 OFSAA Ultimate Festival.

The organizing committee and volunteers have worked hard to get everything in place for a great tournament. I would like to take this opportunity to thank all the members of the organizing committee, the school administration, the support staff and all the student volunteers for their tireless efforts to make this happen.

The Kingston community was incredibly supportive of our event. Thanks to all of our generous presenting sponsors; Tourism Kingston, Think On, Viner-Kennedy Lawyers and our countless other supporting sponsors who have provided the resources necessary to enable us to execute an event at a high quality.

Finally, I hope each of you enjoy your OFSAA experience and take away lasting memories. Good luck to all participants. Game on!

Sincerely,

Marc Carriere

Pete Galbraith and Lana Ramic

Pete Galbraith has helped lead national teams through four cycles at both the U24 and Senior levels, culminating in a silver medal at WUC 2024 with TC Mixed. Based in Kingston, he has also helped lead the Queen's Men's Ultimate team to four national championships over his 10 years at the helm. He is the Junior Director for Kingston Ultimate, working with kids from ages 4 to 18. Within the national team setting, Pete prides himself on putting athletes first and providing individual, actionable feedback to improve on-field performance. Whether chasing podiums or learning skills for the first time, Pete genuinely loves working with athletes at every stage of their sporting lives

At just 27 years old, Lana Ramic has already built an incredible ultimate résumé at every level of the game. From a decorated high school and club career - highlighted by multiple national medals and a Canadian Junior Club National Championship - to an outstanding university career at Queen's University that included a National University Championship and multiple national podium finishes, Lana has consistently competed among the best.

Her success has continued through adult club competition, national team play, and on the world stage, earning multiple world medals and representing Canada at the 2024 World Championships. Along the way, she has captured titles including a National Mixed Championship and a U20 World Championship. Beyond her accomplishments on the field, Lana is also a doctor, making her an exceptional role model both in sport and in the community.
