OFSAA President's Message

Maria Morris,
OFSAA President

It is with great excitement and gratitude that I assume the role of President of OFSAA. Athletics has always been a cornerstone of both my personal and professional life. From my early days as a student-athlete, to cheering on my own children in their athletic journeys and to coaching both in and out of school —sport has shaped who I am.

I am currently the Principal at St. Paul Catholic Secondary School in Trenton. Since beginning my teaching career

in 2000, I have been a passionate advocate for the role of athletics in education. I believe wholeheartedly in OFSAA's mission of "Education Through School Sport." This guiding principle reflects our commitment to developing well-rounded students through athletic experiences that foster leadership, inclusivity, sportsmanship, and integrity.

As OFSAA continues to grow and evolve, we remain focused on creating opportunities that reflect the diverse needs of our

student-athletes. I am committed to working collaboratively with associations across the province to ensure that every student has the opportunity to participate, compete, learn and grow as an individual.

To our dedicated coaches, athletic directors and athletic associations: thank you. Your countless hours of volunteering, mentoring, and leading by example do not go unnoticed. You are the heart of school sport, and your impact reaches far beyond the field, court, arena or track. I encourage you to continue inspiring our student-athletes—not just to compete, but to grow as individuals and leaders.

To all athletes and teams across Ontario: I wish you a successful season. Represent your team, your school, your community—and most importantly, yourselves—with pride, respect, and excellence. Your journey through sport is about more than competition; it's about character, growth, and lifelong memories.

As I look ahead to the next two years as President, I'm excited to work alongside Executive Director Shamus Bourdon and the entire OFSAA staff as we continue to move forward in achieving the goals outlined in our strategic plan. I welcome your ideas, your feedback, and your passion as we work together to strengthen school sport across Ontario.

Let's continue to build a future where school sport uplifts, unites, and inspires.

OFSAA Past President's Message

Scott Barr,
OFSAA Past President

As we begin another school year, I want to wish everyone the best of luck this year in their school athletic journeys. I would also like to officially welcome our new President, Maria Morris to the role, as well as our new Vice President, Yves Poirier. OFSAA continues to lead the province in Education through School Sport, and we rely so heavily on our volunteers. It is people like Maria and Yves who continue the tradition of strong volunteers leading our organization.

I must also thank our staff for their tremendous work. Our staff are passionate and dedicated and we are so lucky to have such a great team of people. It was a pleasure to work with all of you as President the past two years. Thank you all.

As I reflect on my two years as President, I am proud of what we accomplished, and there was a lot. My first year was OFSAA's 75th

anniversary year and what a celebration we had. Unique branding and banners at all championships, our Annual Meeting with all of our special guests returning. It was a great honour to lead OFSAA through the celebration.

We also finalized our new governing documents and our new strategic plan which included goals to improve our participation numbers, our partnerships, and our digital presence and platform. We also made commitments to continue to evolve and support in the areas of equity and diversity, and we continue to look at the sports we offer for both able bodied athletes as well as our para athletes. All of this is a reflection on our goal to always learn and improve.

As my time as President was closing, I am proud to say that we have secured a new partner in Playfly Sports due to a tremendous amount of work from Shamus Bourdon, and I hope that this new partnership will open new opportunities for us to continue to provide more support for athletes and coaches across Ontario!

I have recently retired from Education, but will continue to work with OFSAA in the coming years. OFSAA has truly been the best part of my career in Education. Thank you to all the people who I was fortunate enough to work with and meet over all of these years.

Have a great 2025-2026 school year everyone!

Playfly Sports Joins Forces With OFSAA

On July 1, 2025, OFSAA entered into a partnership with **Playfly Sports**, the sports industry’s leading revenue-maximization company.

“We are thrilled to announce a strategic and groundbreaking partnership between the two organizations united by a shared vision and purpose,” said Shamus Bourdon, Executive Director of OFSAA. “This partnership marks a transformative moment in the strategic plan of OFSAA and we are excited to share the impact it will have on school sport in Ontario. We can’t wait to roll out the exciting changes and enhancements that this partnership will bring.”

“We’re excited and proud to partner with OFSAA,” stated Ian Frost, Vice President, Growth and Innovation – High School Properties at Playfly Sports. “Our top priority is to enrich the experiences and expand the opportunities available to students and school communities throughout the province. Through creative approaches to sponsorship, marketing and media, we’re ready to make a meaningful impact – together. We cannot wait to get started.”

With Playfly Sports offering its substantial financial resources within the marketing and sponsorship sports environment, OFSAA is poised to scale new financial heights, accelerating the delivery of event, programs and subsidies that OFSAA provides in schools. This partnership is about more than just financial strength – it’s about creating tangible, long-term benefits for all members.

Playfly Sports also has partnerships with OFSAA counterparts in four other Canadian provinces. British Columbia School

Sports (BCSS) partnered with Playfly in 2022-23 and School Sport Alberta (ASAA) joined in 2023-24. The Saskatchewan High Schools Athletic Association (SHSAA) is joining the Manitoba High School Athletic Associations (MHSAA) and OFSAA as we begin this exciting new partnership in the 2025-26 school year.

Ian Lederer joined the OFSAA office team in August as Sports Properties General Manager. Ian can be reached at ian@ofsaa.on.ca and at (647) 281-4488.

WELCOME TO OFSAA

Ian Lederer

OFSAA is thrilled to welcome Ian to the role of Playfly Sports / OFSAA Sports Properties General Manager.

Ian is a resident of Toronto and graduated from Centennial College's Marketing Management Program.

We look forward to the exciting new relationship with Playfly Sports and Ian's contributions in the areas of corporate sponsorships and partnerships!

Sandy Repko: A Lifetime of Dedication to Sports and Community

For more than two decades, Sandy Repko has been a beloved and indispensable presence in Windsor-Essex athletics, embodying commitment, generosity, and passion for sport. In over 50 years of convening track and field, Sandy has never missed a single meet—attending every league competition, Lancer Prep, WECSSAA, SWOSSAA, OFSAA Regionals, and OFSAA Championships each season. She is still equally devoted to cross country, ensuring every meet runs smoothly with her trademark warmth and professionalism.

At Essex District High School, Sandy is known for her tireless dedication, scorekeeping and announcing every home football, basketball, and volleyball game. The scorer's table proudly bears the name "Sandy's Table," where she not only manages the game but also provides snacks for parents and meals for coaches and officials, understanding the demands of their roles. Her support extends beyond the local level, as she travels with every Essex team that qualifies for OFSAA, even writing personalized poems to celebrate their achievements.

Sandy's passion for athletics has taken her across Canada and the United States, officiating at local, provincial, and national track meets, including the SEC Championships. Her impact is

immortalized through the Repko Cup, awarded annually to the Windsor-Essex County Female Student Athlete of the Year, named in her honour nearly 30 years ago.

A survivor of both a major car accident and cancer, Sandy's resilience is unmatched—she even returned to scorekeeping in a wheelchair during her recovery. Beyond high school sports, she has devoted decades to minor and junior hockey, earning a dedicated room at the Kingsville arena and a reputation for baking pies for referees.

Now 83 and a member of the Windsor-Essex County Sports Hall of Fame, Sandy Repko continues to inspire with her energy, kindness, and love of sport. Quite simply, there is no one like her.

All of us at OFSAA extend our sincere gratitude to Sandy for her many years of volunteerism towards school sport in Ontario. Thank you, Sandy!

His community outreach is highlighted by his involvement as a volunteer team leader in the community BRIGHT RUN fundraiser and as an active participant in community food drives, baseball and softball. Justin believes that his involvement in school sport has allowed him to develop confidence, leadership skills and a true sense of belonging in his school community. One of Justin’s teachers had this to say about him: “Justin is a versatile athlete who has contributed in a myriad of ways to Ancaster High School Athletics and has demonstrated commitment, passion, and leadership in his four years as a Royal.” In the fall, Justin will be attending McMaster University to study Integrated Biomedical Engineering and Health Sciences.

photographer in the Yearbook Club and was part of the school's Rock Band. In spite of his busy schedule, Liam was able to maintain a 90% average during his final year of high school. His community involvement included volunteering as an organizer in the local Terry Fox Runs, organizing and running elementary volleyball and basketball tournaments and he is an active member in his Church choir as a leader of the children's group. In his application, Liam said this about the role of high school sports in his overall development: "Based on my experiences, I believe that learning about sports is just as much about learning about oneself. The impact that high school sports has had on me extends past the court and into my everyday life." One of his teachers had this to say about Liam: "Liam is a vital member of our T.L. Kennedy school community and has taken on many leadership roles during his high school years. Liam takes great pride in his ability to be able to be the voice of his peers and his school community as a whole." In September, Liam is going to study Nursing at McMaster University.

GIULIANA MARRA

Giuliana Marra graduated from grade 12 at Medway HS in Arva (London). Another outstanding student-athlete with an average of 96%, Giuliana participated in five different sports during her high school career. Being involved in wrestling, cross country, swimming, track and field and soccer

clearly illustrate how organized and dedicated Giuliana was towards both her studies and athletics. In addition, Giuliana was a member of many different school organizations, including the Student Athletic Association, Student Council, Best Buddies Club and the Concert Band. Her community involvement was extensive and included volunteering as a coach for the London

Special Olympics and the London Youth Soccer Organization along with being an active advocate for foster placements for feral kittens. In her letter to the committee, Giuliana emphasized that “sport quickly became a catalyst and pathway for my growth. I challenged myself by pursuing sports I had never tried before—cross country, wrestling, swimming, and track and field—and embraced the discomfort of being a beginner.” In his letter of recommendation to the committee, one of Giuliana’s teachers said this about her: “Giuliana is an elite athlete who excels in multiple sports, including soccer, track, and cross country, yet she is always willing to step out of her comfort zone and embrace new challenges, as demonstrated when she joined the wrestling team in grade 9. Giuliana’s relentless determination and love for learning truly sets her apart from her peers.” In the fall, Giuliana will be studying either Health Sciences or Kinesiology at McMaster University.

OFSAA would like to congratulate Justin, Giuliana, Liam and Annika and wish them well in all of their future endeavours.

RETAILER OF

Congratulations 2025 Brian Maxwell Memorial Scholarship Winners

Standing: Nolan Buie, Saul Taler and Nathan Arsenault
Seated: Julia Tremeer and Nari Hwang **Not In Attendance: Heike Clarke**

OFSAA and the Brian Maxwell Memorial Scholarship Fund were very pleased to announce the student-recipients for 2025.

These student-athletes, with a track and field or cross country pedigree in high school, will continue their post-secondary education at a Canadian college or university. The scholar-athletes display qualities of honesty, integrity, compassion and an unwavering quest to accomplish the best academically and athletically while supporting fellow team members. These were all qualities of Brian Maxwell. Each recipient will receive \$5,000.

The scholarship fund is in memory of Brian Maxwell, a successful distance runner. Brian competed in track and field and cross country and achieved success as an OFSAA champion, and a Canadian junior, juvenile and senior champion. In 1980, he was selected to the Canadian Olympic team and later became a successful entrepreneur who, with his wife, Jennifer, co-founded the nutritional supplement PowerBar.

Brian was born with a defective heart valve and in 2004, at only 51 years of age, died of a heart attack.

OFSAA is appreciative for the opportunity to partner with the Brian Maxwell Memorial Scholarship Fund each year to support students continuing their education in Canada.

Please meet the worthy recipients of the 2025 Brian Maxwell Memorial Scholarship:

A dedicated student-athlete and performer, Nathan Arsenault is an 8-time OFSAA qualifier in cross country and track & field for Leaside High School. He burst onto the scene in Grade 9, capturing OFSAA silver in the Novice Boys 3000m. As a Junior, he followed that up with a 5th-place finish in the same event. In cross country, Nathan placed 7th as a Grade 9 athlete and capped off his high school cross

country career with a strong 22nd-place finish at OFSAA in Ottawa.

Nathan is as well-rounded as they come. A high-achieving student graduating with a 90s average, he will be attending Queen's University in the fall to pursue Honours Life Sciences. He has received annual awards for outstanding achievement in Mathematics at Leaside and is known by his teachers and coaches for his maturity, responsibility, and exceptional work ethic.

Beyond academics and athletics, Nathan is a passionate performing artist, involved in musical theatre and playing the clarinet. He has volunteered with the Toronto Fringe Festival, supporting inclusive arts programming, and at Toronto's Hospital for Sick Children, where he helped develop a mobile app now used by pediatric cancer patients.

Nathan credits running with helping him overcome anxiety and build resilience. In his spare time, he enjoys cooking, travelling, and giving back to his community.

A 10-time OFSAA competitor in cross country and track & field, Nolan Buie has left a lasting legacy at Brooklin High School. His standout achievement came in 2025, when he captured OFSAA gold in the 2000m Steeplechase with a remarkable time of 5:53.14. He also earned OFSAA silver in the event in 2024 and won bronze in the 3000m as a junior. In cross country, Nolan's best individual finish was 14th, helping lead Brooklin to team gold this past fall.

Nolan recently competed at the New Balance Nationals in Philadelphia, placing an impressive 6th. He was named Brooklin's Athlete of the Year in 2024 and served as assistant captain of the school's OFSAA-winning team this past March. He also captained the junior football team to a LOSSA title in 2023.

Beyond athletics, Nolan has made meaningful contributions through leadership and service. He was a key organizer of the 2024 Relay for Life fundraiser and helped run the Terry Fox Run. A member of the school's Recreation and Leadership team, he has volunteered with youth hockey and local track programs.

Graduating with a mid-90s average, Nolan will attend the University of Guelph to study Marketing Management and compete for the Gryphons. He credits his drive and values to his parents and his late Great Grandmother, a full-status Ojibwe, and is proud of his Indigenous heritage.

Grade 9 and three 7th-place finishes across multiple events. In cross country, her top finish was 35th in Grade 11. She credits running for building her mental toughness and accountability—traits that now fuel her athletic and academic pursuits.

Heike is the captain of the Guyana National U20 Women's Soccer Team and will continue her soccer journey this fall at the University of British Columbia. She aspires to become a Sports Medicine Physician, combining her passion for sport and science.

In school, Heike is known as a dedicated, coachable, and driven student. She's served as a peer tutor in science and math and is always willing to help others. Beyond the classroom, she's a certified lifeguard and swim instructor who runs her own mobile swim school business.

One of her proudest accomplishments is co-leading her school's annual Girls in Sports Day, impacting over 250 young girls by promoting lifelong engagement in sport and physical activity.

Graduating from Eastview Secondary School with an outstanding 98% average, Nari Hwang is an exceptional student, athlete, musician, and environmental advocate who believes in her ability to make a difference in the world.

Passionate about protecting Lake Simcoe, Nari has spoken at WE Day, the David Suzuki Foundation Climate Event, and to several Members of Provincial Parliament to raise awareness about preserving the lake's environment. She also volunteers annually at the Laugh for Lake Simcoe fundraiser at the Orillia Opera House and has dedicated time to Camp Mini-Yo-We.

A nine-time OFSAA qualifier in track & field and cross country, Nari's athletic highlights include a 2nd-place finish in the 2000m Steeplechase in Grade 11 and 5th in her final year. In cross country, she placed 10th in Grade 10 and 12th in Grade 12, helping Eastview to top-10 team finishes in both years. She also helped grow the sport by founding the Shanty Bay Running Club to promote healthy lifestyles among youth.

At school, Nari is a valued member of the Nordic ski team, the Link Crew, the knitting club, and the school orchestra, where she plays the trumpet. Her teachers describe her as thoughtful, driven, and generous with her time—always putting her heart into everything she does.

A standout student-athlete and leader, Heike Clarke graduates from Pickering High School with a 90+ average and an inspiring resume across sport, academics, and community service. Originally turning to running during COVID to stay in shape for soccer, she quickly excelled, qualifying for OFSAA Track & Field and Cross Country nine times.

On the track, Heike has competed in the 800m, 1500m, and 3000m, earning six top-10 finishes, including a 5th place in the 1500m in

Graduating with a mid-90s average from Glebe Collegiate Institute, Saul Taler has excelled in academics, athletics, and leadership. A 10-time OFSAA qualifier in cross country and track & field, Saul won the OFSAA cross country title in Grade 10 and followed it with top 12 finishes in each of the next two years. In Grade 11, he led Glebe as their top runner on the way to an OFSAA team gold. On the track, his wide-ranging talent is evident with OFSAA finishes of 5th and 7th in the 1500m, 6th in the 3000m, and a qualification in the 800m.

Beyond sport, Saul has been a leader at Glebe as an active member of the Athletic Council and Co-Chair of the Grad Committee. However, his proudest contribution has been with the Unified Sports program, which brings together students with and without intellectual disabilities. Saul's efforts in creating an inclusive environment have made a lasting impact, and he is recognized by staff and peers as a unifying presence in the school.

Saul will attend Queen's University this fall to study Kinesiology while continuing his running career with the Queen's Gaels.

In the community, he has served as a junior coach with the Ottawa Lions, a tennis instructor, referee with the Ottawa Shooting Stars, and even as a volunteer newspaper deliverer—showing his commitment to giving back in every aspect of his life.

Julia Tremeer graduates from Notre Dame College School having made a lasting impression through her leadership, perseverance, and positivity. She will attend McMaster University this fall, where she will study Business and compete for the Marauders in cross country and track & field.

A 10-time OFSAA qualifier in both disciplines, Julia's top finishes include 10th place in Novice Girls Cross Country and 7th in the 800m in Grade 9. Her journey as a runner began in Grade 3 when she would run alongside her dad—bonding, connecting, and sharing tunes (especially Meatloaf). That early connection to sport grew into a lifelong passion.

At Notre Dame, Julia was involved in far more than just athletics. She played on the lacrosse team, was a proud member of the Mathletes, Social Climate Committee, Homework Club, and participated in the school's annual Pilgrimage. She embraced new opportunities, picking up lacrosse on a whim and sticking with it—even when it was tough—developing resilience and lessons that carried into her running.

Julia is deeply committed to serving others and helping those around her thrive. She volunteered at the Athletics events during the 2022 Canada Summer Games and has consistently put others first. Her teachers and coaches admire her ability to balance academics, athletics, part-time work, and family life, all with grace, humour, and strong communication.

OFSAA Boys' A/AA Field Lacrosse Festival

St. Catharines

June 2-3, 2025

OFSAA convenors Billy McLaren and Wade Pychel, along with their organizing committee from Denis Morris Catholic High School (SOSSA), welcomed the province to the Niagara Region. Student-athletes and teacher-coaches enjoyed great hospitality and a very well-organized festival. The venue at Youngs

Sportsplex in Welland proved to be the perfect facility for spectators to take in all of the action.

During the festival, spectators were also treated to competitive lacrosse throughout pool play and the playoff rounds. The gold medal match featured programs that have had great success at OFSAA over the past 10 years. Past champions, McKinnon Park S.S. (CWOSSA) prevailed over the host school Denis Morris C.H.S (SOSSA), by a score of 8-3. The bronze medal was won by Governor Simcoe S.S (SOSSA) as they defeated Holy Trinity C.S.S (LOSSA).

Special congratulations to the McKinnon Park students and coaches: Jared Bomberry, Ryan Davis, Rhys Doolittle, Owen Fess, Braedy Francis, Renson Hill, Cameron Hill, Shayne Holloway, Jacob Hozjan, Jozey Jacobs, Carson Jamieson, Dayton Jamieson, Cole Jennings, Ryder Johnson, Ronin Lehigh, Layton MacDonald, Dayton Martin, Ryersyn Montour, Jason Montour-Cayuga, Ryker Powless, Kalem Powless, Jacob Skye, Grayson Skye, Wahsakokiokonni Thomas, Owen Vyse, Emmett Vyse-Hill, and coaches Jason Johnson, Brad McPherson, Delby Powless and Andrew Young.

Matthew Vinc received the Leadership in School Sport Award. Matt's volunteer time with high school lacrosse throughout his career was fuelled by his passion for student success. This was emphasized in his banquet speech when he asked all this year's participants to "give back to the sport" in some way once they graduate from high school. Thank you, Matthew, for your commitment to school sport!

Oshawa, Windsor and London June 4 – 5, 2025
June 10, 2025

The weather played a significant role in this year's Regionals and Finals for Baseball. The Oshawa Regional had to move to a third day with St. Charles College (NOSSA) emerging as the #1 seed and St. Peter (COSSA) coming out as #2. After two rained

The finals in London watched St. Peter defeat St. Anne 3- 2 and

St. Charles defeat Upper Canada College 4- 3. With a rematch of the regional finals, St. Anne defeated Upper Canada College 7-2 to win the bronze medal and St. Peter rebound from their loss in the Oshawa regional to claim COSSA's first baseball gold medal. Congratulations to all teams involved for persevering through a difficult season and championship round.

Congratulation to the St. Peter team members: Blake Ferguson, Owen Fitzgerald, Michael Hancock, Jack Hatton, Sam Hickey, Tye Hill, Jordan Lidkea, Beau Marshall, Rylan McCullough, Zachary Russelle, Dylan Schubert, Landon Smelt, Drew Stabler, Aiden Stabler, Noah Stanley, Camden Wells, Hunter Young, Rylie Zastre and coaches Kevin Fitzgerald and Nick Julian.

OFSAA Boys' and Girls' A Soccer Championships

Welland

June 5 – 7, 2025

É.S.C. Saint Jean de Brébeuf (SOSSA) had the honour of hosting this year's OFSAA Boys' and Girls' A Soccer Championships, providing an outstanding experience for athletes, coaches, and spectators alike. A heartfelt thank you goes out to experienced convenors Jason Duthie and Glen Beaugard, whose leadership

and commitment were instrumental in the event's success. Along with their dedicated organizing committee, they ensured every detail was thoughtfully planned and smoothly executed, creating a welcoming and professional atmosphere for all involved.

The evening before the competition, nearly 1,000 attendees

gathered at the Parkway Conference Centre for the banquet. A key moment was presenting the Leadership in School Sport Award to Anne Meginnis and Jason Duthie from É.S.C. Saint-Jean-de-Brébeuf. Both are essential to the school community, leading with commitment and fostering a positive, supportive environment for students and staff. Attendees also heard an inspiring keynote address from Welland native Sabrina D'Angelo, who delivered a powerful message that resonated with everyone in the room.

The girls' competition featured strong, competitive play throughout, with several closely contested matches highlighting the talent on display. Two teams from Group A advanced to the gold medal final, setting up a highly-anticipated rematch between Ursula Franklin Academy (TDSSAA) and É.S.C. Sainte-Trinité (GHAC). Having won their pool play encounter, Ursula Franklin once again came out on top—this time in an even tighter contest—securing a hard-fought 2-1 victory to claim the championship.

Congratulations to team members: Lola Allwood, Leyla Balbaa, Sofia Becci, Genevieve Berger, Bianca Bortolamiol, Cecilia

of the committee and to all teacher-coaches and students who took part in this year's event!

Paul Hillman was the recipient of the Leadership in School Sport Award this year. Paul has been involved in high school sport for over 29 years in the GTA area and has attended various OFSAA events in basketball, tennis and soccer as well as being a key member of the Tennis Organizing Committee. OFSAA Track & Field Championship

Toronto

June 5-7, 2025

The 2025 OFSAA Track and Field Championships were held at the Toronto Track and Field Centre at York University in Toronto.

A total of 504 schools and 2,400 athletes participated in the event. They were greeted with terrific weather, which was a welcome change given this spring's unpredictable conditions.

As expected, the competition was outstanding, with close competitions in many events.

The meet was convened by Chris Reid, Brad Barker, and Fraser Bertram of the Metro Region. Despite taking on the role only in the summer of 2024 due to a last-minute facility change,

their expertise and leadership ensured that every detail met OFSAA's high standards. OFSAA extends its sincere thanks to these convenors and their cracker-jack organizing team for stepping up and delivering a first-class championship.

Special thanks also go to OFSAA's title sponsor, Nike, whose continued support and promotional efforts contributed to the event's championship-level atmosphere.

The OFSAA Leadership in School Sport Awards were presented to Glenn Duncan of Birchmount Collegiate (TDSSAA) and Denise Steadman of Country Day School (CISAA). These dedicated teacher-coaches embody the spirit and excellence the award represents.

On the competitive front, Sandwich Secondary School (SWOSSAA) captured the Girls' Overall Title for the fourth consecutive year, while Sir Frederick Banting (WOSSAA) claimed the Boys' Overall Title.

The level of competition was remarkable, with many races decided by thousandths of a second and a total of three Canadian Interscholar records either tied or broken, alongside numerous OFSAA records.

Divisional Champions:

- Novice Girls: Centennial-Guelph (CWOSSA)
- Junior Girls: Pere-Rene-de-Galinee (CWOSSA)
- Senior Girls: Sandwich SS (SWOSSAA)
- Novice Boys: Lo-Ellen Park (NOSSA)
- Junior Boys: Holy Trinity-Courtice (LOSSA)
